Connie Jones and Mike Stucky were chosen to reign as 1960 Annual King and Queen. Two students were nominated by each teacher then the student body did the final voting. Connie, a senior, has been active in forensics and music her last two years at P.P.H.S. She transferred here from Langdon High School her junior year. Mike, a sophomore, has lettered two years in track and one year in football.

ADMINISTRATION

Each closing year brings with it a tribute to this high school and its students who have been the reasons it has become a fine institution. This traditional publication has been that tribute . . . pages for your library of memories.

As another year passes, we realize our graduating class has added even greater passages to this continuing tribute. They are to be congratulated on their many achievements and contributions to our school. We extend our best wishes to our Seniors as they leave us, to take their places as citizens of tomorrow.

STUDENT GOVERNMENT AT WORK

The Student Council is a body of elected representatives of the student body. Their task is the governing of the student affairs in our school; promoting a better understanding and cooperation among students, faculty, and community.

All school mixers, a Sadie Hawkins party, interesting and informative lyceums, and holiday assemblies are all among the contributions of STUCO to better school life. As a student body we should be grateful to our Student Council for their work toward making Pretty Prairie High School a better institution.

Debate has been termed an "intellectual sport", and the members of the squad will certainly agree that there is a lot of mental work involved in producing a winning team. The squad as a whole brought home four trophies this season, three of them won by the four senior debaters who this year finished out three years of debating together.

The first one was won by Karen Stucky and Leta Kraus at the Meade tournament, the second by Marilyn Albright and Berna Wingate at the Southwestern College tournament. The third trophy was taken by the four seniors together at the district tourney at Emporia. Connie Jones, another senior, and Orletha Graber, a junior debater, won the fourth trophy at the St. John tournament.

District team accepts their first place trophy from Mr. Jim Trent of Emporia State Teachers College.

The Stars Will Remember

The ceiling was hung with twinkling stars, candles glowed softly on tables decked with beautiful, fragrant flowers and golden star nut cups. The stage was set for a thrilling, romantic evening at the 1960 Junior-Senior Banquet.

The Tropical Room of the Rambler Motel was the spot chosen by the Juniors for the traditional feast and entertainment. Their guests dined royally on such tempting dishes as Heavenly Breeze, Castaneta and Stardust, and Evening Star Salad. Master of Ceremonies, Mike Walters, introduced the program highlighted by guest speaker, Mr. Dan Kahler's inspiring speech, "The Great People", and lilting music from a mixed quartet, and a girls' sextet.

The stars, and the honored seniors will truly remember a wonderful evening at the 1960 Junior-Senior Banquet.
